

Dear all,

A very short letter today. I hope I will be able to get further details out tomorrow, but it may not happen.

This weekend is going to be a very busy and significant weekend for us here at the Priory Church. Tomorrow, we have our Resourcing Sustainable Church/Mission Action Plan Day. A reminder that we are meeting from 11.00am – 3.00pm.

Some questions have been asked about the arrangements, and I just want to quickly answer 2 now. Firstly, you do not have to attend the whole time. Obviously, it would be great if you could, but part of the time is better than none. Secondly, I have heard of someone who said they didn't feel they could attend, because they didn't understand what it was about. This will be a great opportunity to find out. You can still fully participate.

All are welcome – all views are valid. And it won't be a waste of time! Your views will count.

Sunday is the Fifteenth Sunday after Trinity (Proper 19). It will be a Communion service, where the Rt Revd Nicholas Chamberlain, Bishop of Grantham, will preside and preach. He will spend some time after the service chatting to folk at refreshments. Do come if you are able.

A reminder - one alternative style service that has been suggested is that we hold a short Pet Service, before the main Sunday service. To this end we would like to invite folk to:

## Pet Blessing Service

(cuddly toys also invited!)

Outside – weather permitting!

Sunday 19<sup>th</sup> September at

Please make sure all pets are under control, and that you are prepared to help clear up if there are any 'accidents'

Stay safe.

Blessings and love
