Dear all

I had not planned a letter today, however there was a problem with the VE Day service. The access was not set correctly, and YouTube flagged that it had copyright music on it – namely the Last Post.

I have therefore edited out the Last Post.

Here is the link to the now accessible service:

Here is a link to the Last Post if you wish to include it:

Also I have just been asked to take Beryl Stratton's funeral, which will take place on Wednesday 20th May at 12.30, Peterborough Crematorium. Anyone wishing to follow a special CofE service for those unable to be present at a funeral can find it at:

Stay safe

Blessings and love
