

26th September 2020

Dear all

I had not planned on sending another letter so soon, but I forgot to mention a few things in my previous letter:

Firstly, regarding the Annual Report and Accounts. These should be ready for publishing in the next couple of days – just waiting for the signed pages to be scanned in. There will actually be a supplement to the ‘official’ Annual Report, which will include specific reports from all the other groups – children’s, social etc., plus any other areas worth noting. Will people please get these reports to John Worthington as soon as possible please. It is good and encouraging to hear what is happening around the place.

Please note that, while the ‘official’ Annual Report is for the calendar year 2019, the supplement should cover events from one Annual Meeting to the next – in this case, unusually, from April 2019 – September 2020.

I plan to publish these as pdf files as soon as possible. There will be some hard copies available, but I would rather not print so many for both financial and environmental reasons.

Please let me know if you require a hard copy.

2 further issues with a COVID-safe church. At the moment, the rota I set up for help with cleaning is no longer functioning. If anyone could help me clean the church at 3.00pm on Wednesday and Saturday, I would be grateful.

Also, one of the key aspects of COVID-safety is good ventilation. As the weather gets colder, the church also will be colder. Please dress accordingly.

As has been mentioned earlier, Friday Knights have continued to litter-pick round the area, yesterday evening concentrating on the area around the Manor Way shops. A big thanks for their excellent hard work. You will find out more at our Harvest Festival.

Stay safe

Blessings and love

Mark
