

10th October 2020

Dear all

A very short letter. My apologies for the late production. Attached are the remaining papers necessary for the APCM tomorrow:

- [Agenda](#)
- [2019 APCM minutes](#)
- [PCC Report](#)

As before, I hope, for environmental and cost reasons, to have a minimum number of copies produced for the meeting. Please do read the attached, and bring any comments or questions to the meeting.

Stay safe

Blessings and love

Mark
