

Dear all

This letter is going to be something of an advert.

Firstly, I would like to commend a book that Jane Harwood has put together containing poetry and prose around creation and the environment. Profits from the sales will be split between The Priory Church and Open Door Baptist Church. Jane writes:

I've put together a collection of poetry, prose, illustrations and photos on the theme of 'Creation' which was born from an original idea of writing a poem one week of a Bible study course. From these initial poems the project developed to the final product. There are some wonderful contributions from the congregation and Mark himself together. The illustrations have been done by a talented artist who is the wife of the pastor at the Open Door Church who will be joint beneficiaries from the money that is raised together with the Priory Church.

My son has spent hours with myself putting the booklet together on the tech side. Without his efforts it would not have come to fruition.

I hope that you will all donate by buying a booklet. It will be much appreciated. They will make ideal Christmas gifts for Christians and non-Christians alike. Part of the purpose is to hopefully encourage people to look at the world in a different way. Maybe to look further...

Copies of the booklet will be available at the Vicarage. £4 for single booklet. 3 for £10. Reverend Mark has kindly agreed to take any donations there. If you prefer to pay by BACS you can do so by paying into the Church account if you already do so. If not, payments can be made into The Open Door Baptist Church account. 20-81-20. 20677930. Monies received will be apportioned between the two churches.

If you need your booklet delivered, then we can do so.

In a second advert, the Langtoft, the Deepings & District Branch of the Royal British Legion are looking for someone to take on the role of Poppy Appeal Organiser.

Your local Branch needs **YOU!**

Our Poppy Appeal Organiser is stepping down after six years' excellent service, so Langtoft, the Deepings & District Branch, Royal British Legion, is looking for a well organised person(s) or couple to run our local annual Poppy Appeal campaign.

It's a voluntary but rewarding role: You would liaise with Poppy House, order materials (we have a small local lock-up), keep records, coordinate our team of volunteers and work with local organisations and the general public. Our retiring Poppy Appeal Organiser will help the right person learn the ropes.

If this might be you, for an informal chat, please contact our Branch Chairman on 07368 256898 or email our Secretary on LangtoftDistrict.Secretary@rbl.community. Thank you.

PS. You don't have to have served in the Armed Forces or be a member of the British Legion!

My apologies, especially to Chris Pearce, who recommended a wonderful video of the Remembrance Service from Bath Abbey. I had forgotten to add it into a letter. Although the time has passed, you may still be interested. The link is <https://youtu.be/TN7ALL4xhJY>

Stay safe

Blessings and love
