April 2020

Corona virus (Covid-19)

We regret that owing to the present situation with regard to the spread of the coronavirus, and the advice given by the Government, the Archbishops of Canterbury and York and the Bishops of our own diocese, we are unable to publish Priory News for April.

Owing to the many restrictions placed upon all of us concerning meetings and the temporary closure of church premises all planned events for the month have been either postponed or cancelled so that a large part of the magazine would have been irrelevant.

Clearly we are unable to say when our next magazine will be published but in the meantime we shall hold over any news and articles for future use as appropriate.

Our Vicar, the Reverend Mark Williams, is presently keeping in touch with members of our parish via telephone calls, emails and regular messages on our website. These may be accessed from the Home page or directly from [here](#).

Thank you for your understanding and we wish all our readers good health in these challenging times.
